

Hi Ellen

On our way to the airport for our honeymoon :-)

Just wanted to say a huge thank you to you and Julie for my hair and makeup. Me and the bridesmaids had so many lovely compliments. The banter whilst getting ready was also fantastic, completely calmed any nerves.

Will send you a proper thank you once we get our official photos from Mark.

Thanks for being part of the best day of my life so far.

Warmest wishes

Hi Ellen,

I just wanted to thank you and of course Julie for my wedding hair. I absolutely loved it, and I am very grateful.

I have attached some photos in case you were interested. We all had a really perfect day.

Kind regards, Bonnie Jaques (Owers)

Ellen,

Thank you ever so much for the hair and make up on Friday 4th. Both were outstandingly done! Your professionalism and calming demeanours kept me sane as well. I cannot thank you both enough.

I had a great shock when I arrive at the church. There were only six people in the pews on my side because as well as the two who text the night before letting me down a further 7 people were 'no shows'. Can you imagine how shocking that was to see empty pews where 9 people should have been? At £45 a head meal as well; disgusting and I've had some really pithy excuses - a really bad back, going through a nasty divorce, my car was wheel clamped on way to church. Needless to say our circle of friends has shrunk somewhat.

Once my back was to the pews I was able to enjoy the ceremony although my legs were trembling from the shock. The vicar was fantastic, he made us cry, he made us roar with laughter and presented us with a bell he had purchased in Bethlehem the year before - we know our vicar and his wife so it was a lovely wedding present.

In the evening more people did not turn up and we only had 40 confirmed. The band was contracted to play for 2 x 1 hour slots. By 10.30 there were so little people left that I said to only play for 30 minutes and bring the evening to an early close.

I take comfort in knowing I looked a million dollars thanks to your expertise. Thank you so much for assisting me with my dress and jewellery - it meant a lot to me to have you there doing that. Still waiting for photos from photographer otherwise would have attached a pic, especially of the cake which was amazing.

Thank you ladies....your services were second to none, you were great and so helpful.

Kind regards

Elaine

Hi!

Just wanted to say a HUGE thank you to you both for your help with my hair and make up – I received so many comments regarding how lovely it was and my hair survived the wind!!! There are some great photos of my veil being blown everywhere but it stayed in securely right up to the evening!

Mum and Julia were also really pleased with their hair and makeup and both looked lovely!

We had a wonderful day but it went far too quickly and I am now back at work and back to reality....

Thanks again

Liz

Thank you very much for making us all look so beautiful on Saturday, you did an excellent job and helped with the nerves in the morning.

Please can you also thank Julie for the hard work on our hair too.

Thank you so much x

Kind Regards,

Claire

Hello Ellen,

A belated big thank you for the gorgeous make-up you did me for my wedding day on the 16th August. You also made my mum look incredible, I have never seen her eyes look like that!

I was wondering if you could let me know what make-up you used on my mum's eyes, I would love to treat her to some of it from mac? I would be very grateful.

With many thanks again and all best wishes

Katharine
